April 8, 2015 Meeting Minutes**

In attendance: Amanda Barnes, Peggy Bonk, Lindsay Daskalopoulos, Sharon Foley, Ann Horgan, Shawna Iannotti, Carolyn Mark, Rachel Silverman, Amy Snyder, Zoe Hinman, Alana Mason, and Michael Guilfoyle

I. Harvard Medical School Mental Health Conference (Tabled until next meeting)

II. Data Collection Update - Sharon Foley provided an overview of progress to date. Successful pilot at the High School. Will implement at other schools the first week in May. Student privacy is paramount. Administrators will be invited into the conversation over the summer to make sure everyone is on board with the new process.

III. Program Assessment Update - big thank you to Rachel Silverman who took the lead on developing the assessment tool. Rachel to work with Lindsay, Ann and Mandy to roll out.

IV. Stakeholder engagement updated, including Mental Health Awareness Month - Students are taking the lead and running with it. Focus on improving school culture. Reaching out to other students to engage them in the month's activities. Going to Cole and elementary schools to work with students. Looking to hold forums and conduct a poster campaign (idea to offer this as extra credit project). Interested in expanding support activities connected with Voice of Beauty. Students will keep us posted.

V. Website/online resources - Haven't been able to work on this, but Carolyn to ensure minimal updates for this year's Mental Health Awareness Month and to point people to existing resources.
